Dear Mr. Orman,

Thank you for contacting my office regarding your concerns with pedestrian safety and speeding along Mt. Hope Avenue from Elmwood Avenue to Alexander Street.

I received your letter and copy of your signed petitions and want you to know that I take your concerns very seriously. My office has informed Rochester Police Chief Michael Ciminelli of the situation and asked him to increase the police presence in your neighborhood and to also conduct targeted enforcement to address the speeding.

I have also forwarded your suggestions for traffic safety improvements along Mt. Hope Avenue to the appropriate departments.

If you have any additional questions or concerns, please feel free to contact my office.

Best regards,

Lovely A. Warren
