Lt. Hill,

Thank you again very much for meeting with Lisa, Judy, and me this past Wednesday. It was very encouraging to hear about RPD's ongoing speed enforcement efforts on Mt. Hope Ave. We've always viewed enforcement as absolutely key to getting this chronic problem under control, so we are extremely grateful for this. If there is ever anything we can do to assist, please call on us.

I've asked people at the SE Service Center to send you the latest data from the portable monitor near Menlo Place, so hopefully we'll see that soon.

Best regards,
